REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Application serial no. 09/800,689 is being allowed in light of the addition of the inventors Chad Wilkinson, Paula Rogers, Kimberly Christensen, Ethel Macrea and Noemi Sebastiao pursuant to 37 CFR 1.48(a) to the instant application. The addition of these inventors to the instant application removes the patent to Richards et al (US Patent no. 6,296,809) as an appropriate prior art reference in combination with Hartman et al under 35 USC 103, since the instant application now has at least one common inventor and the same assignee as the Richards et al patent. See previous Paper no. 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
